## Letter from the President

I hope this letter finds you and your loved ones in good health, and that you all had a wonderful Thanksgiving with family and friends. With any luck we'll have an "old fashion snowy" season this year and that we will be able to enjoy snowmobiling without any restrictions. Fingers crossed, everyone! Things seem to be progressing with the new club website, so that should be up and running very soon. With more and more things moving to the online market, an updated website is something we desperately need! With any luck, we'll also be able to register our sleds online in the near future as well. That will be great!

Not much of anything to report at the state level, which is always good news, but there will be a strong push to get the word out regarding staying on the trails. We can't afford to lose any more trails, especially because this is one thing that is easily prevented. Just stay on the trail and respect landowners' requests! There will be many more signs out this season reminding riders to stay on the trails. Hopefully, we can convince "rules for thee but not for me" riders that without trails, nobody can ride!! Consequences could be steep for ALL in the coming years if they don't! Sleds are getting more and more expensive, but they are all useless without trails!

I still have NHTSA Super Raffle tickets if anyone would like to purchase one. \$20 each. Once these are gone that's it. So if you would like to take a chance on 16 great prizes, come to our next meeting on Monday, Dec 13th, 7 pm at the Rec Center. This meeting is also our Christmas party/potluck and Yankee Swap! If you'd like additional info contact Cheryl Forcier 603-497-4429. Hope to see you there. Wishing you and yours a very Merry Christmas and a Happy New Year!

Your President, Al Lambert

All rooms will be given a special rate (because you would be coming for snowmobiling) which is \$108.00 plus tax for regular rooms (singles, doubles, and kings) and \$129.00 plus tax for the suites. As Bruce has mentioned, these prices are for up to 2 adults in any room. If you decide to put more people in the rooms, there will be an extra \$10 added for each extra adult. (adding any amount of children will not affect the price) This applies to the suites as well.

Depending on the preferences of your party members, you may find it more cost effective to put more people in each room, but if you would rather have the extra space we have more than enough rooms to accommodate that as well.

Mention Bruce Buttrick or Goffstown Snowmobile Club.
